**Middlemore Hospital Occupancy Rates at 7 a.m. for 1/01/2015 to 31/12/2017**

This report compares the demand for beds at 7am to the number of beds available for patients under the Medical, Surgical and ARHOP specialties.

Compares at 7am the total number of inpatient beds occupied - **including the number of patients waiting for a bed in the Emergency Dept.** to the number of inpatient beds available.

The number of beds available may include flex-beds, over census and unbudgeted beds that were reopened to cope with demand. Not all physical beds may be available due to staffing availability, and at time with over 100%, patients may be cared for in other areas of the hospital.
