Dear [REDACTED]

### **Official Information Act (1982) Request**

I write in response to your Official Information Act request, received by us on 22<sup>nd</sup> February 2019, on transfer from the Ministry of Health under Section 14 of the Official Information Act.

You requested the following information and our responses are outlined below each question:

### **Current contract holders (providers) for each of the current DHB, ACC and MoH Home and Community Support Contracts**

CM Health's contracted Home Based Support Service providers are:

- Access Home Health
- Counties Manukau Homecare
- Geneva Healthcare Ltd
- Presbyterian Support Northern
- Pacific Island Homecare
- Whaiora Homecare
- Huakina Development Trust
- Healthcare of NZ
- Healthvision NZ
- Manawanui in Charge Ltd

### **Current contract values**

- These services are funded on demand with no set contract values.
- The total value of contracted Home Based Support Services (excluding IBT) for 2017/18 was: \$24,431,392.

### **Contract terms and projected expiry/re-tender dates**

- Home Based Support Service contracts are varied on an annual basis to extend the term and change price. We currently do not have a planned re-tender date for these services due to the current activity in the national policy environment and planned devolvement of funding for IBT and PE into contracts.

**Primary contact points within each funder for each contract**

- Dana Ralph-Smith, General Manager Adult Rehabilitation and Health of Older People.

I trust this information satisfactorily answers your query. If you are not satisfied with this response you are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act.

Please note that this response or an edited version of this may be published on the Counties Manukau DHB website.

Yours sincerely

Fepulea'i Margie Apa  
**Chief Executive**
