- Mild asthma
- Sports injury
- Minor illness

Hospital

If it's a life threatening
emergency call 111.

- Chest pain
- Head injury
- Severe blood loss
- Major accident

Helpful tips

Help! I'm feeling sick, where do I go?

Your family doctor plays an important role in keeping your family healthy. Call your doctor for health advice and to make an appointment.

What if I don't have a family doctor?

Ask your friends, family and neighbours if they can recommend one nearby. You can also find a family doctor (and see their prices) at www.healthpoint.co.nz

I can't get to the doctors, what should I do?

To seek immediate health advice, contact your family doctor or call Healthline on 0800 611 116 to speak to a nurse. It's free and available 24/7. If English isn't your first language, there are interpreters who can help.

I can't make it to the doctors during clinic hours, where should I go?

Your local Accident and Medical (A&M) clinic is open when your doctor is closed and you need urgent care. To find the closest A&M clinic to you, visit our website countiesmanukau.health.nz

When should I go to the hospital?

If it's a life threatening emergency, call 111. The Middlemore Hospital Emergency Department is for life-threatening conditions.

Unsure where to go?

Call Healthline for free health advice from a nurse 0800 611 116
