

28<sup>th</sup> May 2021

Dear Sir/Madam

**Official Information Act Request for Manukau Healthpark**

I write in response to your Official Information Act request received by us by way of partial transfer on the 4<sup>th</sup> May 2021, where you requested the following information:

**Why there are no any pathways through Manukau Healthpark?**

**Counties Manukau Health Response:**

In regard to your request, we emailed you on the 21<sup>st</sup> May 2021 advising we had attempted to transfer your request to both Auckland Council and Auckland Transport. We were unsuccessful at transferring this request and we requested clarification from you in order to understand better the scope of your request. At the date of this letter, we have not heard back from you.

As we did not receive clarification from you regarding your request, we are unable to provide a specific response to your request however we can advise that when our facilities are designed, consideration is taken into ensuring access to the site is in line with the clinical and operational needs for the site. With recently announced investment funding to expand services provided at Manukau Health Park, we will be revisiting the Master Site Plan and include pedestrian access through the site as part of that work.

Should you wish to provide us with more specific detail about your interest in this matter, please contact us again and we will consider this request.

You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or Freephone 0800 802 602.

Please note that this response or an edited version of this may be published on the Counties Manukau Health website. If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider this.

Yours sincerely

**Fepulea'i Margie Apa**  
**Chief Executive Officer**  
**Counties Manukau Health**
