Good morning Antony,

Thank you for your Official Information Act request, received by us on 16 April 2020. You asked us to explain the inclusions in Ministry of Health Financial reports for Provider Arm Personnel Costs, and our response is:

- The Provider Arm Personnel Costs you reference report the cost allocated/ attributed to all the sites where the DHB as a Provider is delivering services, including main Hospitals, Satellite Sites and community-based services deliver by DHB employees. It does not include community/ primary care derived personnel costs for services funded by the DHB, but delivered by the PHO/ NGO sector.

I trust this information satisfactorily answers your query. If you are not satisfied with this response you are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Please note that this response or an edited version of this may be published on the Counties Manukau DHB website.

Subject: Official Information request - DHB financial reports

Dear Counties Manukau District Health Board,

On the webpage <https://www.health.govt.nz/new-zealand-health-system/key-health-sector-organisations-and-people/district-health-boards/accountability-and-funding/summary-financial-reports/dhb-sector-financial-reports-2019-20>, the monthly financial report of Counties Manukau along with all other DHBs are presented. MoH has advised me that this information is provided by the respective DHBs to them to publish.

My question is related to the SCHEDULE 3: DHB Provider Arm Financial Performance on that webpage which details the monthly spending on various labour personnel : Medical Personnel, Nursing Personnel etc.

My question is -

- **Are these expenditures on labour personnel related to main hospitals, such Middlemore Hospital, and Manukau Super Clinic?**
- **Or does it include all healthcare facilities such as - Middlemore Hospital, Manukau SuperClinic, Botany SuperClinic, Kidz First Children's Hospital, Franklin Memorial Hospital, Birthing & Maternity Services and Pukekohe Hospital?**

Thank you.

Yours faithfully,

Antony Andrews
