Dear

Official Information Act Request for – Plastic Surgical Procedures

I write in response to your Official Information Act request received by us 22nd October 2020, you requested the following information:

The number of Plastic Surgery procedures in patients between the ages of 0 and 18 years from Dec 2013 until Dec 2019 performed in Auckland with the following information:

- 1. Domicile DHB
- 2. Delivery of service DHB
- 3. Type of procedure by domicile DHB and delivery DHB Plastic surgery procedures include cleft lip and palate operations, craniofacial surgeries, congenital hand, burns, hand and facial trauma and skin lesion excision including vascular anomalies

Counties Manukau Health Response:

For context Counties Manukau Health (CM Health) employs over 7,500 staff and provides health and support services to people living in the Counties Manukau region (approx. 569,400 people). We see over 118,000 people in our Emergency Department each year, and over 2,000 visitors come through Middlemore Hospital daily.

The Plastic Reconstructive and Hand Surgery service at CM Health is one of the four regional plastic surgery centres in New Zealand and provides services to people who live in the Counties Manukau, Auckland, Waitemata and Northland DHB areas.

Where there are fewer than 5 cases or procedures delivered we have withheld the exact number and instead stated <5. This has been withheld to protect the privacy of the individuals involved as stating the exact number may likely make the individual identifiable. Withholding to protect the privacy of individuals is permitted under section (9)(2)(a) of the Official Information Act 1982.

The number of Plastic Surgery procedures in patients between the ages of 0 and 18 years from Dec 2013 until Dec 2019 performed in Auckland with the following information:

1. Domicile DHB:

3. Delivery of service DHB

Attachment 1 reflects the procedures by facility and whether services were delivered by CM Health at either Manukau Surgery Centre or Middlemore Hospital.

4. Type of procedure by domicile DHB and delivery DHB. Plastic surgery procedures include cleft lip and palate operations, craniofacial surgeries, congenital hand, burns, hand and facial trauma and skin lesion excision including vascular anomalies.

Attachments 2 & 3 reflect the type of procedure by domicile DHB and delivery DHB for both CM Health and Auckland District Health Board (ADHB). Attachment 3 is data retrieved from ADHB as a portion of Plastic Surgery procedures are delivered through ADHB that CM Health Plastic Surgeons complete on their site.

We are providing this information at principle procedure description level. We remind you the information reflects small numbers for some procedures and ask you to treat this with due confidentiality respecting the privacy of individuals.

We ask that you treat the information provided within this request with due confidentiality and respect the privacy of individuals.

I trust that this information answers your request. You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

Please note that this response or an edited version of this may be published on the Counties Manukau Health website. If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider this.

Yours sincerely

Fepulea'i Margie Apa

Chief Executive Officer Counties Manukau Health
